

## **TECHNICAL SHEET**

## LAURIA-BERTANI BROTH

A non-selective medium for molecular genetic studies.

| Dehydrated media               |                                 |  |
|--------------------------------|---------------------------------|--|
| Code number:                   | 500 g: LBB20500, 5 kg: LBB25000 |  |
| Colour:                        | Yellowish                       |  |
| Appearance:                    | Homogeneous hygroscopic powder  |  |
| pH before autoclaving (25 °C): | 7,3 – 7,7                       |  |

**Direction:** Suspend **25 g** in one litre of distilled water and heat gently to dissolve the medium completely. Dispense into final containers and sterilise by autoclaving at 121 °C for 15 minutes.

| Prepared media |                                    |  |  |
|----------------|------------------------------------|--|--|
| Bottled media: | 100 ml: LBB30100, 500 ml: LBB30500 |  |  |
| Tubed media:   | 150 x 15 mm: LBB40010 (10 ml)      |  |  |
| Colour:        | Yellowish                          |  |  |
| pH (25 °C):    | 7,4 – 7,6                          |  |  |

**Direction:** Dispense the bottled media aseptically into sterile final containers. Media in tubes are ready to use.

## FORMULA in g/l

| Casein peptone  | 10 |
|-----------------|----|
| Yeast extract   | 5  |
| Sodium chloride | 10 |

**Note:** The typical formula can be adjusted to obtain optimal performance.

**Storage conditions:** Store the dehydrated media tightly closed in a dry place at room temperature. Store the bottled and tubed media protected from light at room temperature. Use before the expiry date on the label.

## **Quality control:**

| Test strains          | Incubation temp: 37 °C | Growth | Incubation time: 24 h |
|-----------------------|------------------------|--------|-----------------------|
| Escherichia coli      | ATCC 25922             | Good   |                       |
| Staphylococcus aureus | ATCC 29213             | Good   |                       |

In vitro diagnostic - for professional use only!
